Beginning 3/23/2020, I will only be in the office 2 days a week and working from home 2 days due to the spread of Covid-19. The new office hours will be 8:00 am to 3:00 pm. If you need to reach me on the days I am not in the office you can reach me at 870-668-0213 and I will be happy to help you from home. In two weeks we will revisit the situation to see if we can go back to normal working schedule. White River Regional Solid Waste Management District will do our part in fighting this disease and to help stop the spread. Thank you for understanding and be safe.
